Aiken Gymnastics Booster Club is a non-profit organization, established under Section 501(c)(3) of the Internal Revenue Code of 1954. All contributions are tax deductible.

Aiken Gymnastics (AIGY) is a highly recognized sports program throughout South Carolina and the southeast. Now, in its 30th competitive season, Aiken has become a training facility for gymnasts throughout the CSRA and has attracted over 1,000 students in both its recreational and competitive programs. Aiken gymnasts consistently place among the best in South Carolina. Each year, AIGY produces gymnasts that earn State Champion titles. Through the years, many of these championship athletes have also qualified for regional and national competitions. Some have gone on to earn fully-funded collegiate scholarships in this most demanding of sports.

The coaches at AIGY have developed a competitive program that combines dedication, inspiration and good sportsmanship that will not only benefit these young athletes in gymnastics, but throughout their entire lives.

AIGY Booster Club supports the competitive teams and individual gymnasts at AIGY. Our Corporate Advertisement Program presents companies with the opportunity to demonstrate their commitment, not only to the growth and development of the gymnasts, but also to the hundreds of families that pass through the doors of Aiken on a weekly basis.

The impact of your participation can be seen on many levels:

- It will foster corporate and community partnerships
- It will encourage individual athletic commitment
- It provides quality advertisement for your business
- It provides recognition and goodwill

By participating in the Corporate Advertising Program with AIGY, you will become part of our team.
